

PANGKOR LAUT RESORT

Hill Villas

Perched dramatically on the hillside amidst the rainforest, these villas have a magnificent view of the sea and the Resort's beautiful tropical gardens. Housed in double-storey units, the villas feature huge bathtubs which offer a view of the rainforest.

Garden Villas

Set amidst the lush tropical gardens of the Resort, these are housed in double-storey units. The villas feature huge bathtubs that look out on the gardens. Those travelling with children may opt for the Family Plan Villas - two ground floor villas adjoined from the inside, allowing for convenient access to each villa.

Beach Villas

Located just steps away from the white sandy beach, these villas have a breathtaking view of the sea. They feature a private balcony with deck chairs, a large bathroom with a separate shower and a huge bathtub.
